

MINUTES
TECHNOLOGY TASK FORCE
CLASSROOM TECHNOLOGY INTEGRATION SUBCOMMITTEE

DATE: July 12, 2011
TIME: 8:30 AM
PLACE: WW55

MEMBERS: Chair: Stefani Cook, Vice-Chair: Chuck Winder, Brent Lloyd, Heidi Rogers, Desiree Laughlin, Alan Millar, George Boland, Wendy Horman

Lisa Dawley, Boise State University, gave a presentation regarding Professional Development and responded to Committee questions.

The Committee discussed the need to develop a portal and/or clearinghouse for all providers where accessed by teachers and administrators, perhaps with BSU, but inclusive of all Idaho universities. There is a need to find out how the clearinghouse would work in conjunction with Schoolnet.

Luci Willits and Troy Wheeler discussed the technology legislation and explained the funding over the next 5 years to the Committee members.

The Committee would like to find out if the SDE wants the technology funds spent this year to get the schools to the next step. The Committee will work towards developing a tiered approach. Troy, Luci and Jacque Hyatt will send additional information to the Committee to assist them.

The Committee will be working towards where they see Idaho and schools to be in 5 years. They want to give the schools a baseline recommendation by this fall.

There being no further business to come before the Committee, the meeting was adjourned.
